

Declaration of Conformity for EU Regulation on Packaging and Packaging Waste (PPWR)

To reduce the environmental footprint of products and fulfil corporate environmental-protection responsibilities, Guangzhou Skydance Co., Ltd. hereby makes the following declaration: As of the issue date of this document, packaging accompanying our products exported to the EU market satisfies the mandatory requirements of **Regulation (EU) 2025/40 on Packaging and Packaging Waste (PPWR)**.

Scope of Declaration

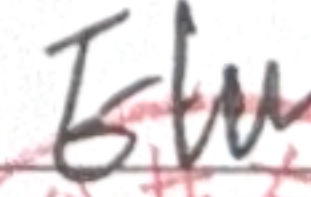

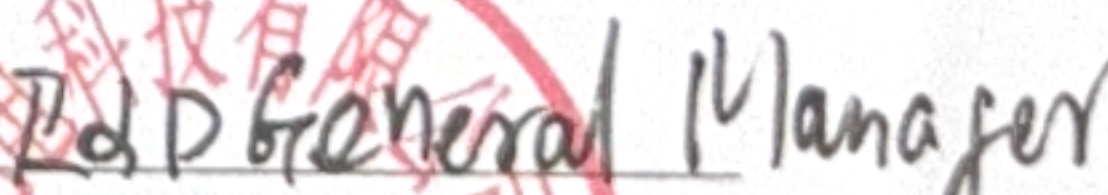

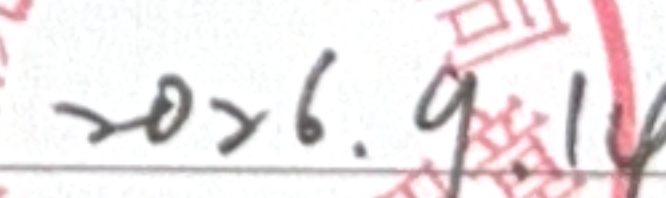

This declaration applies only to original sales packaging (product colour boxes / plain white boxes and inner auxiliary packaging materials, etc) delivered to customers together with products. Secondary grouped packaging, tertiary transport pallets, stretch films and other shipping-protective materials used in the supply-chain logistics process may vary with transport modes and are not fully under our direct control. Therefore, they are excluded from the scope of this declaration.

PPWR Compliance Verification

- **Fundamental Packaging Requirements:** The original sales packaging of declared products meets the essential requirements of the Regulation concerning composition, recyclability, reusability and minimization of environmental impact.
- **Heavy-metal Control:** The sum of lead, cadmium, mercury and hexavalent chromium contained in our packaging materials shall not exceed the threshold value specified in Article 5 of the Regulation (≤ 100 mg/kg).
- **Obligations for Packaging-waste Treatment:** Relevant measures have been adopted to support the reuse, recycling and environmentally-sound disposal of packaging waste, fulfilling the relevant obligations set out in the Regulation.

Corporate Policy

Guangzhou Skydance Co., Ltd. will continuously monitor revisions and implementing rules of EU PPWR. We will further optimize packaging design and management practices to pursue circular-economy and sustainable-development principles.
